

Enjoy Company Discounts of up to 50% Off with New Employee Perks Program

Benchmark has partnered with Access Perks to offer a new Employee Discount Perks Program that will offer company discounts at restaurants, retailers, grocery stores, and hundreds of other business across the country. All you need to do is set up a username and password at BenchmarkHS.AccessPerks.com using your employee number and you can start taking immediate advantage of discounts of up to 50% off at stores in your area through your computer or mobile device. Here are the step by step instructions:

Step 1: Go to BenchmarkHS.AccessPerks.com

- Simply click "Register" and enter your employee number
You will only be asked to set up a password if you attempt to make a purchase using the shopping cart.

Step 2: Get your Access Perks mobile app.

- Go to the Apple Store or Google Play and search for "Access Perks"
- Download the app, and then open it
- Enter your employee number
(No need to click "Set up Account" since one has already been created for you!)
- Complete the registration page and set up your password
Note: This will be the same password you'll use to access the "Shopping Cart" feature on the website

Step 3: Start saving at thousands of participating providers!

Here's a sample of some of the thousands of participating retailers.

We hope you will find great value in this new benefit paid for by our company, and that you can take advantage of these discounts. You can also learn how to suggest local businesses who may be interested in participating in this program, to Access Perks to help your coworkers discover more discounts close to home.
